

Dataset File Deposit License Agreement

This form must be completed by the researcher, formerly based at University of Strathclyde, who created the dataset in question.

Please confirm that you give your consent/permission, by signing and dating the form below, for a member of University Strathclyde staff to deposit the dataset files on your behalf, into Pure.

You must accept the following file storage licenses: -

Dataset Public

By accepting the license, you agree:

1. The depositor owns the intellectual property rights relating to the data or has the right on behalf of the owner/s to deposit the data and make it publicly available under CC-BY licence (subject to any embargo period).
2. Depositing the data does not break any law, including the GDPR (UK) and/or The Common Law Duty of Confidentiality.
3. Depositing the data does not breach any commercial, contractual, or legal agreement.

Name:- Oluwagbemi Victor Aladeokin
